REMARKS

Claim Status

Claims 1-9 are pending in the present application. No additional claims fee is believed to be due.

Claims 4 and 9 have been amended to correct typographical errors pointed out by the Examiner.

Claims 10-34 are canceled without prejudice.

The Specification has been amended to correct a typographical mistake regarding the claim of priority.

The Specification has been amended to correct a typographical mistake regarding the description of the drawings.

It is believed these changes do not involve any introduction of new matter. Consequently, entry of these changes is believed to be in order and is respectfully requested.

Information Disclosure Statement – Non-Patent Literature References

The Examiner states that the information disclosure statements filed 7-23-01 and 2-27-06 fail to comply with 37 CFR 1.98(a)(3) because neither include a concise explanation of the relevance of each patent [or non-patent document] that is not in the English language.

Enclosed is a SB08 and translations of reference numbers 76, 78, 79, 81 and 82, which are non-patent references not originally considered by the Examiner. It is respectfully requested that the Examiner reconsider these documents in light of the translations provided with this response.
